WELCOME TO THE TUNA & THE CRAB

The Tuna & The Crab is a celebration of Sri Lanka's finest Tuna and iconic Mud Crabs, opening our doors in 2014 at the Galle Dutch Hospital within the Galle Fort, a UNESCO world heritage site.

Created by renowned Sri Lankan – Japanese Chef & Restaurateur Dharshan Munidasa, this restaurant is a hybrid of his award-winning restaurants Nihonbashi and Ministry of Crab. Over the years Chef Dharshan learnt how to grade tuna from captains of tuna vessels landing in Sri Lanka and crabs from the crab mongers of Pettah who were exporting to Singapore, leading to the creation of our sister restaurants, and eventually to the opening of The Tuna & The Crab, serving the freshest and finest seafood in the South. Strongly influenced by the Japanese restaurants of modern Tokyo, The Tuna & The Crab features an open kitchen with a Teppan Grill, where you can see our chefs in action, preparing the best ingredients our island nation has to offer.

The dining options at The Tuna & The Crab are many, from our signature tuna & crab dishes, to our extensive range of Japanese cuisine from sushi to tempura, okonomiyaki and Japanese Sets, to our selection of fresh seafood and our amazing Black Angus Sirloin.

WE HOPE YOU ENJOY DINING WITH US!
